# Introduction

The following **Reduced Cost Services Guide** highlights a variety of products and services available in or near Washington state that are offered at reduced cost for people meeting certain income levels.

[We hope this resource will help you to find more affordable options for common and often essential products and services.](#)

Nearly one of every four Washington citizens turns to the Economic Services Administration (ESA) for assistance with cash grants, food, child support, child care, disability determination and supports for transition to employment and other services. Each day this customer base of almost two million receives service from 4,200 dedicated ESA employees help individuals and families across Washington State meet their foundational needs and work toward achieving their full potential.

Every day, strong organizational values help us transform our vision into reality. This means progress toward the achievement of our unified goal to reduce the number of individuals and families living in poverty by 50 percent by 2025 in a way that eliminates disparities. Pursuit of this unified goal shapes our organizational culture and guides decision-making on everything from staffing decisions to setting priorities on allocation of limited resources.

Our values and commitment to providing opportunities for people and reducing poverty led to this project. We hope you will find it useful.

The Department of Social Health Services (DSHS) and the Economic Services Administration (ESA) do not endorse any of the products and services included. The contents of this resource are not constantly updated, therefore occasional outdated information may be included. Please confirm the product or service cost details prior to ordering. Additionally, while we made every effort to include all options, some may have been missed.

# Glossary of Acronyms

**CHIP:** Children's Health Insurance Program - Provides health coverage to eligible children, through both Medicaid and other CHIP programs.

**DVR:** Division of Vocational Rehabilitation - A statewide resource assisting people with disabilities to prepare for, secure, maintain, advance in, or regain employment.

**EBT:** Electronic Benefits Transfer - If you receive food assistance in Washington, you will be issued an EBT card, also known as a "Quest Card." You use this card like a debit card to purchase food items at stores. Cash assistance recipients are given the choice of an EBT card or direct deposit into a bank account.

**FMNP:** Farmers Market Nutrition Program - Eligible WIC participants are issued FMNP coupons in addition to their regular WIC benefits. These coupons can be used to buy eligible foods from approved farmers' markets or roadside stands.

**FPL:** Federal Poverty Level - An economic measure that is used to decide whether the income level of an individual or family qualifies them for certain federal benefits and programs. The FPL is the set minimum amount of income that a family needs for food, clothing, transportation, shelter and other necessities.

**Medicaid:** In Washington State, Medicaid is called Apple Health. Apple Health provides preventative care, like cancer screenings, treatment for diabetes and high blood pressure, and many other health care services.

**NSLP:** National School Lunch Program - A meal program operating in public, non-profit private schools and residential child care institutions. It provides nutritionally balanced, low-cost or free lunches to children.

**PUD:** Public Utility District a community-owned, locally regulated utility.

**SNAP:** Supplemental Nutrition Assistance Program (formerly known as food stamps) – Called Basic Food in Washington, the program provides food assistance to low-income families and individuals. Benefits are issued through the EBT system and used at participating grocery stores or markets.

**SSI:** Supplemental Security Income – A federal income supplement program designed to help aged, blind and disabled people who have little to no income. SSI provides cash to meet basic needs for food, clothing and shelter.

**TANF:** Temporary Assistance for Needy Families - Provides cash grants to families with children and pregnant women who are below income and resource limits. Persons who are caring for a relative's child or guardians who are acting in the place of a parent are also able to apply for TANF on behalf of these children.

**WIC:** Special Supplementation Program for Women, Infants and Children - Provides supplemental foods, health care referrals and nutrition education for low-income pregnant, breastfeeding and non-breastfeeding postpartum women, and to infants and children up to age five who are found to be at nutritional risk.
